Golf

AS CHAMPIONS PLAY IT

When you play a golf course, it is not pleasant to use it to hasten.

When you play a golf course, it is not pleasant to use it to hasten.

I find that my pupils get along better when I tell them, "Forget all I have told you, and go out and play the best game you can." When a person is beginning to learn golf, he should practice more than play, and when he is practicing, should follow instructions to the letter, constantly striving to make every stroke a correct one. But form doesn't become really valuable until it becomes habitual. It isn't a good thing for him always to be thinking about rules. So I say, "Forget them, when you play. Hit the ball." The important thing to be kept in mind about learning golf is this: You can't do it in one lesson. It takes years to master the game and reap the real benefits of sound early training.

A National League Problem

By Peg Murray

Who is the best first baseman in the National League? Among those who naturally fall into line for the honor are "Long George" Kelly of the Giants, Jacques Fournier, the St. Louis Cardinals' Frenchman, the ex-penit butcher of Pittsburgh, and Charley Grimm of the Pirates. Others are to be considered also: Ray Bressler of the Reds, who has so capably filled Jake Frisbie's shoes; Jake himself, who has an enviable record; Bottomley, of the Cardinals, another star who shone last year, but who has been laid up more or less in 1934; and "Snuffy" Meigs of the Braves, who is hitting as well as Grimm and Bottomley have this year. Charley Grimm is a fielding sensation, probably the best in the league, although Kelly is capable of some remarkable plays, as he showed in the last world's series. Bill Lamar's lanky build and the Slugging Frenchman's brawn have made him the leading batter among the National League first-basemen, with Fournier leading the league in home runs. This will undoubtedly be the fourth straight season in which Kelly has batted over .300. He hits on from the right side, too, while Jacques swings from the left. Grimm, Bressler, Bottomley and Lamar all throw with the southpaw wing. It looks to me as though it were a toss-up between Kelly and Fournier—oh yes, and Grimm.

and then struck out Werro, for the third out.

Wilkes-Barre, 290 020 014—14 29 5

Umpires—Harper and Ferguson.

ELMIRA GETS 13 HITS AND SIX RUNS OFF BINGHAMTON

Elmira, Aug. 11.—Elmira gathered 13 hits off Wargo, while Costello held the Triplets to eight scattered safeties in today's game, and the locals trimmed the visitors, 6 to 1. Three local hits and an error in the fourth inning brought in four scores.
Elmira, 6, 000 000—1 8 3
Binghamton, 1, 010 010 000—3 8 2
Batteries—Costello and Hyde; Wargo and Pfeiffer.

ERROR PROVES COSTLY IN SENATORS-MINERS GAME

Scranton, Aug. 11.—Harrisburg moved out the Miners here today in the opening game of the series, 4 to 3. An error by Shannon in the third inning gave the visitors two runs and paved the way for another. Egbert was wild, allowing six bases on balls, but was strong in the pinches. Scranton used four pitchers.
Harrisburg, 4, 103 000 000—4 14 2
Scranton, 3, 100 000 011—3 8 2
Batteries—Egbert and Schmidt; Sarafeld, Foreman, Menosky, Bishop and Head.

PESKY BED-BUGS

Bedbugs lay an average of seven eggs per day. Under favorable conditions they hatch in the days of which two thirds are females. They mature to adult size and are capable of laying in four weeks. How many bedbugs would you have in a year if you left one female or egg unmolested for one year?
To rid the pesky bedbugs, you readily see how necessary it is to use a preparation that will kill the eggs as well as the live ones.
P. D. Q. has been demonstrated by the leading hospitals, hotels and railroad companies that the safest and most economical way to stop future generations of bedbugs, roaches, moths and ants is to use the new discovery Pesky Devil's Quietest "P. D. Q." A 35c package of P. D. Q. makes a quart, enough to kill a million bedbugs, roaches, bugs and moths and at the same time destroy their eggs. Impossible for them to exist when P. D. Q. is properly used. Free a patent spell in every package to get the pesky devil in the hard-to-get at places and save the juice.
P. D. Q. is not an insect powder, as most or dust, does not rot or burn the bedding.
P. D. Q. for family use 35c. P. D. Q. can also be purchased in sealed bottles, double strength, liquid form.
Genuine P. D. Q. is never peddled. Adv.

BARN STRUCK BY LIGHTNING

New Barn of H. Greeley Brown on Briar Creek Completely Destroyed During Storm Sunday Afternoon.

Unadilla, Aug. 11. — The large, new barn on the farm of H. Greeley Brown on Briar Creek, was struck by lightning about 2:30 Sunday afternoon and burned to the ground. The barn is occupied by a brother, Al Brown. He stood near the barn when Henry Goddard and wife and other friends drove up. The storm was coming rapidly and Mr. Brown said, "Give in!" Mr. Bedford did so, just as the bolt fell. Both men were knocked down, and one of the ladies partially stunned, but were able to look the car out, and Mr. Brown saved his horses.

One wagon was saved, but harnesses, so tons of hay and all other contents of the barn were quickly burned to the ground. Mr. and Mrs. H. C. Brown were at the Country club.

NOTICE TO CREDITORS.

Pursuant to an order of the County of Otsego, surrogate of the county of Otsego, notice is hereby given, according to law, to all persons having claims against the estate of Josephine M. Fairchild, deceased late of the city of Oneonta, in said county, that they are required to exhibit the same, with vouchers therefor, to the undersigned executor of the estate, at the said surrogate's office, in the city of Oneonta, in said county, on or before the 15th day of September, 1924.

Dated February 22, 1924.

WAS NATIVE OF LAURENS.

John P. Pixley Dies Sunday Night at Home in Pueblo, Colorado.

Laurens, Aug. 11. — Mrs. Robert Rider of this village received a telegram this morning announcing the death of her brother, John Philip Pixley, which occurred at about midnight Sunday night at his home in Pueblo, Colorado. He had been in Pueblo for some time and had been known to be critical. The cause of death was heart trouble. The funeral services will be held at his late home at 2 p. m. on Wednesday and burial will be at that place.

Mr. Pixley was born in Laurens, September 7, 1857, and was a son of Andrew and Ruth (Brightman) Pixley, being the youngest of a family of eight children. All his life he lived in Laurens until six years ago, when he moved to Colorado. He is survived by his wife, formerly Miss Louise Darrak of New Berlin, whom he married January 17, 1884, by four children, Walter, Carl and Edith, the latter, Mrs. George Clark, all of Pueblo, and Paul J. Pixley of Casper, Wyoming, the latter having formerly been a valued employee of The Star office in Oneonta. He leaves also one brother, Charles Hobart Pixley of Greene, and one sister, Mrs. Rider, above named. He was formerly a member of the Laurens Masonic lodge, demitting to Pueblo about two years ago, and he was also a member of the Laurens Order of Eastern Star. He was a worthy, much-respected man with many friends who will greatly regret his death.

Laurens Union Picnic.

The union picnic of the Sunday schools of the Methodist and Presbyterian churches of Laurens will be held on Thursday, August 14, at Canadago park. Two special cars will leave the trolley station at 9 a. m. All attending are asked to carry cup, fork and spoon, also sandwiches for family and one other article of food. It is hoped that there will be a large attendance of the congregation and school of both churches.

WORCESTER TRIM DAVENPORT

Win Closest Contested Game on Saturday by Score of 5 to 4.

Worcester, Aug. 11. — The Worcester ball team played at Davenport Saturday afternoon and returned home victorious by a score of 5 to 4. The game was fast and well played and the score was small despite the fact that a large number of hits were made.

The Davenport boys secured the first runs of the game in the first inning on two hits, a single by Davenport followed by a home run by W. Graig. The hits from the mountains did not score until the ninth when they again annexed two runs on a single and homer, this bringing their total to 4.

The Worcester boys, while securing no home runs, hit the offerings of J. Graig for five runs in the fifth inning, thus winning the game by a splendid batting rally.

The score by innings:
Worcester 1 2 3 4 5 6 7 8 9—5
Davenport 0 0 0 0 0 0 0 0 0—4
Batteries—J. W. and F. H. Mohr; J. Graig, M. Graig and Davenport.

FRUIT TREATMENT IS WONDERFUL

Constipation and Indigestion Yield to "Fruit-a-Lives"

From all over this section, comes word of the success of the Fruit Treatment in overcoming stubborn, chronic diseases that ordinary remedies cannot help.

Mr. Byron Titchell of Stockton, N.Y. says: "For several years I suffered with chronic indigestion, Constipation and Rheumatism. I tried many medicines; none gave much relief. Seeing the notices about the Fruit Treatment I gave 'Fruit-a-lives' a trial. From the very first, I noticed an improvement and today the Rheumatism and indigestion are almost gone. The action on the bowels of your wonderful fruit medicine is natural". MILFORD NOTES.

Successful Dance Given by Odd Fellows Lodge Friday Evening.

Milford, Aug. 11.—One of the most enjoyable events of the summer season was the dance given at the Liedke garage last Friday evening under the auspices of the Milford lodge 1, O. O. F. There were over 60 dance numbers and a goodly number of spectators were present. Music was furnished by the Oneonta Symphonette and was excellent. Much of the success of the event is due to Fred Liedke, proprietor of the garage, who gave to the Odd Fellows the use of the garage and lights and furnished the music. The members of the lodge are much pleased with the proceeds and wish to thank all who in any way assisted in making the event a success.

Personals.

Mrs. Ceylon Banner and Mrs. Susan H. Jabbitt, who have been spending two weeks with Mr. and Mrs. S. E. Jones at Mt. Vision, returned to their home here Sunday.

MRS. PERRY LOSES EYE.

Former Resident of West Oneonta Victim of Unusual Accident.

West Oneonta, Aug. 11. — The many West Oneonta friends of Mrs. Jennie Perry of Manlius learn with regret of a serious accident to her which occurred last Tuesday. Mrs. Perry fell from a chair on which she was standing, her glasses broke and pieces of glass flew into one of her eyes. D. & H. IN NEW MERCE

REPORTED TO BE NUCLEUS OF FIFTH COMMERCE PROMOTED BY VAN SWERINGEN.

Wall Street News Reports That Fifth Trunk Line Will Be Operated Jointly by Four Other Systems. Approval of Interstate Commerce Commission Will Be Sought. D. & H. Stock's Recent Advance Attributed to Project.

New York, Aug. 11. — Wall Street news reports that the plan of the Van Sweringen brothers, of Cleveland, to the formation of the giant "Nickel Plate" system, which already includes the "Nickel Plate," Chesapeake and Ohio, Hocking Valley, Erie and Erie-Maryland railroads, also contemplates the addition of the Delaware, Lancaster and York, and Washington and Annapolis railroads. Recent heavy buying of the Larkawanna and Wheeling and Lake Erie stock, which are quoted on the New York stock exchange around their high prices, is said to have been for the account of interests allied with the Van Sweringens.

Propose Five Trunk Lines.

Coincidentally with this information, reports were circulated in the financial district that five instead of four trunk lines, the fifth to be operated jointly by the four other systems, will be suggested to the Interstate Commerce commission as a possible solution for the grouping of the railroads east of the Mississippi and west of the Hudson. This plan is understood to have the endorsement of trunk line executives who have been holding conferences throughout the summer in order to prepare a substitute for the commission's original grouping plan which has been altered by the Van Sweringen activities.

Must Be Approved.

The four systems already set up in the New York, New York, Central and the Baltimore and Ohio.

The Delaware and Hudson has been proposed as the nucleus of the fifth group to be operated jointly by the other four. The Larkawanna is expected to become a part of the New York Central system, while the Baltimore and Ohio probably will obtain control of the Reading and Central Railroad of New Jersey. It was pointed out that the present plans are tentative to the Interstate Commerce commission for its approval.

Physical consolidation and joint management of the five railroads already included in the Nickel Plate merger is understood to be contemplated by the Van Sweringens, although it forms no part of the present plan. It is not likely that such action will be taken until after a large majority of the stockholders of such railroad exchange their stocks for the securities of the new company.

The consolidation, now under way, contemplates the formation of a new company and the absorption of four railroads by the New York, Chicago and St. Louis. Through exchange of stock and lease of physical properties, control of this great system will be exercised.

The plan involves a capitalization of more than \$1,500,000,000 and the control of over 11,000 miles of line.

That Body of Yours

By James W. Blythe, M.D.

YOUR HEART AND WORK.

You get the idea into your head that all is not right with your heart. Sometimes it seems to pound away very hard inside the chest wall, and it gives you the uncomfortable feeling that perhaps there is something really wrong with it.

At other times it seems to be unusually rapid. You have taken your pulse under normal conditions, and it was beating 75 to the minute, but at another time you find it well over 90. This doesn't seem right to you either. Then again you have felt for the pulse of the artist and it has not been just as "strong" as you thought it should be.

Perhaps you have a little excitement, your heart beats rapidly, sometimes for a number of minutes after the excitement is over.

Now, what about all this? There is only one sensible thing to do, and that is to go and let your doctor examine your heart and blood pressure.

One of the things he will do, and the one I want to talk about, is to make you take a little exercise, after which he listens to your heart again, waits two to three minutes, and then listens again, taking account of the sounds of the heart, and their rhythm.

Now you may be the toughest of the tough, a number of times, a cutting on the back, or running a number of miles.

What is the idea of these exercises? Well, he simply wants to know how your heart really behaves when it is working—doing extra work—on a test of ordinary work.

If it does this well, without going too rapidly for the amount of work, and if it then comes back to normal in 1 to 2 minutes without any further exertion, or any increase in a mere four or five minutes, then he is satisfied that your heart is in good health.

TWENTY AND THIRTY YEARS AGO

Days of Old Recalled by Items Chopped from The Star Files.

August 12, 1904.

The trustees of the Oneonta Public Library have organized and elected the following officers: President, Albert Morris; secretary, Alva Seybold; treasurer, John K. Skinner.

Miss Theresa Parshall, Herbert Spencer, Stuart Howe and Jay Bookhout were in Cooperstown yesterday taking the examinations for entrance to the State Normal school.

Superintendent W. C. Franklin announced yesterday that Miss Wiggins of the High school faculty has resigned to accept a position at Albion at a salary of \$1,800. She will be succeeded by Miss Flora K. Allen of Ithaca, a graduate of the Ithaca High school and of Cornell university. She will teach English and Greek in the High school.

The first gun of the political campaign of 1904 in Oneonta was fired last night, when the Republicans held a well attended and enthusiastic meeting at the Ford & Ford block. Club rooms will be opened within a few days, a first voters' club will be organized and a permanent Republican organization will be effected. The meeting last evening was called to order by E. R. Ford, chairman of the county committee. C. F. Shellard was made chairman and Henry D. McLaughlin, Esq., secretary. The committee on permanent organization is composed of A. L. Kellogg, M. C. Hemstreet, Charles Smith, J. H. Potter and W. P. Emory.

August 12, 1904.

A movement is on foot to change Hartwick academy into a college. H. K. & I. J. Bowdish have taken the contract to erect for Jacob Farmington upon the lot he recently secured on the extension of Walnut street from Dixie to Church a fine brick veneered residence. It will cost completed \$3,500.

Word comes that a force of 150 men is grading for the new Fort Plain and Richfield Springs railroad at Springfield Center, near the head of Otsego lake. This road is being pushed to completion. Oneonta would like to see it continued down the Otsego valley to this village. Can it be done?

Hon. James Stewart yesterday received a letter from his son, Hugh, which states that he is now at Lake Umbagog, on the line between New York and California, with a party of friends, he is camping. The young man writes a very interesting letter, describing his trip, and is enjoying himself immensely. At the lake they have plenty of fishing and hunting. Young Stewart has a rifle and a bow in his belt, and with him a blackskin Indian is well protected against the dangers of camp and travel.

ANNUAL MEETING ANNOUNCED.

Mrs. W. T. Hyde to Entertain Members of County Crutch Society.

Mrs. William T. Hyde, county agent of the Otsego County Society for the Prevention of Cruelty to Animals, has issued invitations to members and supporters of that worthy society to attend the annual meeting at her residence, Lake road, Cooperstown, on Saturday, August 23rd, at 1 p. m. The speaker is to be William Hagan of New York city.

The county organization is doing excellent work under the administration of Mrs. Hyde and as the annual meeting is always made most enjoyable by the social affairs there will doubtless be a large attendance of members of the society.

See Cream and Cake Social.

The trustees of the A. M. U. church, 14 Hunt street, will have a cream and cake social on the lawn Thursday evening for the benefit of the church. The current expenses of the church. The current expenses of the church. The current expenses of the church.

BENEFIT ENTERTAINMENT.

For County Children's Society at Otsego on Friday Evening.

On Friday evening of this week at Hotel Otsego, Cooperstown, will be given a benefit entertainment for the County Children's Home on the Hyde estates. The program will be one of special attractiveness and it is hoped that all friends of the children will make arrangements to attend and evidence their support of the Home, which is doing an excellent work for homeless ones.

The entertainment will start at 8:30 o'clock. Tickets have been placed at the popular price of \$1 each and it is confidently anticipated that many who cannot arrange to attend will purchase tickets just the same and assist in the work. Tickets may be secured in Oneonta of Mrs. Laverne P. Butts or of Mrs. H. W. Lee.

Cleveland Family Reunion.

The 35th annual reunion of the Cleveland family will be held at the home of Mr. and Mrs. Wilber L. Cleveland in the village of Bloomville on Wednesday, August 29.

IN NEED OF FURNITURE

Public Asked to Aid Family Social Work in Equipping Building

Previous to the opening of the house on Fonda avenue, which is to be used by the Family Social Work association for a day nursery and lodging home for girls, it is necessary that a large amount of furniture be secured for equipping the building. The members of the association are making every effort to have the house ready for occupancy early in September, so that any persons desiring to aid in furnishing the place are requested to make their contributions within the next ten days. Gifts of furniture, such as beds, tables, chairs, and other household articles, will be greatly appreciated, the most necessary equipment being both straight and easy chairs, small tables, dressers or chiffoniers, rugs, rag carpets or clean rags for making carpets. All persons willing to make such contributions are requested to call the Community house between the hours of 9 and 12 and 1 and 5. The association will make arrangements for all transportation of furniture. Those who can possibly contribute will have the satisfaction of knowing that they are helping to provide a home for people in less fortunate circumstances than themselves.

BICYCLE CHAMPS IN ONEONTA

Pass Through City on 400-Mile Trip Round Binghamton and Lake George

Just to gain the idea that bicycling is a lost art two young men, Ernest Barton of Madison and Harry Buman of Binghamton, came through Oneonta yesterday and reported a fine trip from their homes to Lake George and thus far on their return trip, all by bicycle.

They started from Binghamton Saturday morning, August 2, and made the trip to Lake George in a little over two days. They spent about five days there and, returning by way of Oneonta, went to the home of Raymond Houck of Treadwell, where they will remain for a few days before returning to Binghamton. These young men are athletes in their early twenties and have muscles that many a boy would envy. They say they can make 10 to 12 miles an hour on good roads. At the conclusion of this trip they will have made about 400 miles. Last year they report having made a 500-mile trip by bicycle. They bought bicycles in Denver and traveled to Seattle, Wash., and then down the coast to Los Angeles and from Los Angeles, except for about 1,000 miles, all the way home. They followed the National Old Trails Highway in coming from Los Angeles, and visited Yellowstone Park and the Grand Canyon in Arizona.

SUNDAY BASEBALL ALLOWED

Common Council Voted to Try Scheme by Citizens of Oneonta to Repeal of Sunday Laws.

Sunday baseball will be played for the first time in the history of the city. Sunday being voted at a common council meeting last evening to permit Sunday games for the remainder of the season. The action is not permanent and should the council decide that the sentiment of a majority of the citizens is against allowing games on the Sabbath they will not be permitted next year.

The meeting was called by Mayor Bolton following receipt of a letter from President D. F. Wilber of the Oneonta Public Park and Playground Improvement society asking for permission to play Sunday baseball. Mr. Wilber was present at the meeting and addressed the council briefly, setting forth the arguments for such permission. He said that the local team was not being run for profit and that should any profit accrue it would be turned over to the city for the improvement of the parks. He spoke of the fact that league baseball would be a great asset to the city and declared that league ball is on trial in the city. Sunday baseball would help the association financially and would probably assure a team again next season.

Mr. Wilber's strongest argument, however, was that Sunday baseball would provide a place to go for hundreds unable to take advantage of the amusement facilities of the man who can see baseball any day in the week or who is able to play golf or motor on Sunday. He said that it would keep the young men off the streets and would really lift the moral tone of the city.

Alderman Atwell was in favor of submitting the proposition to a referendum vote of the citizens but his motion to take such action was not seconded and Alderman Tansett moved and Alderman Coy seconded a resolution to permit Sunday baseball for the remainder of this season. Mr. Atwell cast the only vote against the resolution.

The aldermen made it clear in their remarks before the vote that their action should not be construed as an absolute approval of Sunday baseball. The majority of the men could see no harm in playing the game on the Sabbath but they did not want to take permanent action until the wishes of the people could be ascertained. They were of the belief that the trial of the scheme would result in an expression of opinion that could guide them in their future action.

FIELD DAY AT EDMESTON

'Joe' Scanlon of Oneonta to Twirl for the Edmeston Team

Edmeston, August 11.—Every effort is being made to make the Field day announced for Friday, August 15, the most successful event of its kind ever held in this village.

At 10:30 o'clock there will be a ball game between Burlington Flats and Leonardville and at 2:30 o'clock the strong Edmeston team will have its opponents the St. Johnsville team. The last game between these two teams was a two-to-nothing contest and it went 10 innings. Scanlon of Oneonta will be on the mound for Edmeston while Smith of the K of C team at Schenectady will twirl for St. Johnsville.

There will be a variety of games and athletic contests during the mid-day. The Burlington Flats band will furnish music for the day.

Their Fifth Anniversary

About thirty relatives and friends of Mr. and Mrs. Harold Alger gathered Saturday at Wilber park to help them celebrate their fifth wedding anniversary. At 1 o'clock a delicious picnic dinner was served to which all did ample justice. After dinner Mrs. Alger presented them with a sum of money as a token of remembrance from the party.

Among those from out of town were Mr. and Mrs. Jay Manchester and daughters, Jeanneth and Julia, of Hobart; Mrs. Lewis Seamon and daughter of Long Island; Jay Alger of Unadilla; Mr. and Mrs. Elroy Alger and Mr. and Mrs. Steven Alger of Binghamton; Benjamin and Charles Beams of Davenport.

OPEN SOCIETY CIRCUS

Nearly 2,000 Persons Enjoy First Evening of Entertainment by Knights of Birmingham

BODEO SHOW A FEATURE

Big Test of Tuberville-Bells Society Circus and Western Rodeo Show Pinned Last Evening for Opening of Bells of Birmingham, of This City—To Continue for Balance of Week.

Tuberville-Bells Society Circus and Western Rodeo Show pinned last evening for opening of Bells of Birmingham, of This City—To Continue for Balance of Week.

A concert was given last evening by Victor and his band in the business center of the city, and at 6:45 o'clock a number of free acts were presented in front of the big tent on the Wilber Flats. The feature of these free attractions was the shooting of Mamie Francis who broke 50 glass balls thrown into the air without a miss.

Beginning this afternoon a free concert will be given inside the tent each afternoon at 2:30 o'clock and no admission will be charged. A splendid program is being arranged for these entertainments and doubtless there will be large afternoon crowds as well as in the evening.

Last evening the special concert program was presented as a part of the evening's entertainment and that portion came in for a full share of approval.

The Western rodeo show featuring California Frontier with broncho busting, wild brahma steer riding, and cowgirl stunts is one of which Mr. Tuberville is especially proud. The company was brought to Oneonta from Springfield, Mass., especially for the entertainments here and the entire crowd seemed to heartily approve of its selection.

Little, the diminutive cowboy clown, took an active part in this feature of the program and he made a hit, particularly with the youngsters. Lino, performer of many of stunts in addition to his mirth provoking activities and in him was to be found fun for all ages and all classes.

Annette, queen of the air, presented a large number of thrillers for the approval of the crowd, and that she speedily gained. The Moose stunts and other acts were quite satisfactorily. An extra act which was engaged at the last minute to give Oneontans an especial treat was Chief Lightningfoot and Sister in a number of Indian dances and they contributed a full share to the pleasure of the evening.

Arable, advertised as the \$10,000 high school horse, proved that he could dance the older as well as the latest steps and his performance was one of the most enjoyable of the evening. The four Clifton Sisters presented a number of classical dances in addition to the gymnastic work and received hearty applause.

Jumped Auto and Five People

One of the main features of the evening was Apollo, the riderless jumping horse, who jumped over all kinds of obstacles and finally over a touring car in which was seated five people.

Don Sherman and Mabel DeForest again proved their popularity in their home city with a brand new vaudeville act which truly brought down the house. Among other stunts, Don was initiated into the Knights of Birmingham by his wife, who introduced a lot of fun into her ceremony.

Test Sherman again appeared in her home city and received one of the warmest welcomes ever. She sang and danced "To beat the band." The tent was hurriedly put up yesterday for the opening performance and all arrangements had not been completed. However, the finishing touches will be put on this morning and all will be in the best of shape for the performance today. The free concert this afternoon at 2:30 o'clock and the evening entertainment at 7 o'clock.

Brand New Oneonta Art Tonight

Mr. Tuberville of the circus last evening booked another brand new Oneonta act for this evening only and a very pleasurable treat he believes he has secured.

Antonio Garcia, a well known truckman of this city, approached Mr. Tuberville last evening and said that he would like to present an act which he had prepared with his four truck horses, George, Ross, Jerry and Dick, and he was immediately booked.

"Tony" as he is popularly called, made some exceptional promises for his performance, such as that they would shake hands with him and would lie down and go to sleep and those who attend the performance this evening will certainly enjoy the act.

"Tony" is going to be the feature especially for this appearance this evening and the four animals will certainly be a treat.

WILLIAMSPORT AGAIN TODAY

Larger Leaders and Oneonta Giants to Clash Again at Noon Park at 2:30 O'clock This Afternoon.

The Williamsport Grays and the Oneonta Giants will clash again this afternoon at Noon park and if the quality of ball played yesterday is any indication of what may be expected today the park should be filled again. Yesterday's game was a very pretty contest, full of spectacular plays, and although the Giants lost nobody need feel ashamed of their showing against the league leaders.

For six innings no better ball was ever played than was exhibited yesterday. And even after the heavy artillery swung into action and things in the scoring line commenced to happen there was an abundance of excellent playing. It is believed that not one of the many fans present was disappointed at what he observed in the first league ball game played in the city in many years. The Giants played with a good deal of vim and dash and have already developed into an outfit that must always be reckoned with.

Both President John H. Farrell of the league and his son, P. H. Farrell, secretary, were present and both were highly gratified. They stated after the game that they like the city, are in love with the ball park and regard Oneonta as an excellent place for a N. Y. P. franchise. They stated that Oneonta played a fine game against the league leaders.

Antropes of the ball park it might be stated that Williamsport players, following the game that the park, exclusive of the stands, is the best in the N. Y. P. circuit.

A doubleheader will be played with Williamsport on Wednesday and on Thursday Elmira will open here with a twin bill. The plans for making Thursday's game day have been given up and that event will take place later in the season. Elmira will also be here on Friday, Saturday and Sunday.

ROTARIANS AT OWEGO

Thirty Members to Spend Today as Guests of Owego Club

About 30 members of Oneonta Rotary club will spend today at Owego as guests of Owego Rotary. The latter organization, much impressed by the hospitality of the Oneonta Rotarians when the Owegoans visited Oneonta some weeks ago, extended at that time an invitation to Oneonta to visit Owego and has been making plans for the event for some time. The function will be held at the Owego Country club.

The Rotarians who are going are asked to meet at the Citizens National Bank and Trust company at 9:30 a. m. A few of the men will go earlier than that hour so that a little more time may be had upon the golf links, but the majority of members will go at 9:30. The cars will travel together and the entire party will eat luncheon at the Endicott-Johnson diner in either Endicott or Johnson City.

The Rotarians will reach Owego at about 2 o'clock. The afternoon will be spent playing golf and in other diversions and at 6 o'clock dinner will be served. There will be a program of short speeches and entertainment features of various sorts.

Preaches at Van Hornville

Rev. J. A. Judge, pastor of the Chalmers Memorial Universalist church, preached the service at the Van Hornville church and so pleased was the congregation with his sermon that he was requested to preach again next Sunday. Van Hornville is the boyhood home of Owen Young, the distinguished financier who is now in Europe with the Dawes' reparations commission, and several members of his family were in Mr. Judge's audience.

Kelly Cords

The Greatest Tire Value That Has Ever Been Offered

Eight or nine years ago when 3,500 miles was considered good mileage for an automobile tire, Kellys gained a great reputation by consistently delivering twice and three times that.

Today, Kellys are incomparably better than the tires on which the Kelly reputation was built, but because of greatly increased production the cost has been reduced.

The Kellys of today are the strongest, sturdiest, longest-wearing tires that Kelly has ever built, yet they cost no more than other tires which have never had the Kelly reputation. Kellys are the greatest tire values that have ever been offered.
